Advertise at AVL

Are you looking for a way to promote your business?

How about displaying your brochure at the Asheville Regional Airport?

With nearly 600,000 passengers per year, AVL is a great place to advertise.

E-mail David King, Guest Services Coordinator, for more information at dking@flyavl.com.

TSA Checkpoint Down to One Lane

As part of the improvement projects taking place at AVL, the Transportation Security Administration (TSA) checkpoint will be limited to one lane instead of two, effective Tuesday, September 22, and lasting for the duration of the A-Gate renovation. To allow enough time to get through security, travelers are strongly encouraged to arrive at the airport at least 90 minutes before their flight time.

"These renovations mean positive changes for our passengers in the long run. Despite the construction taking place, the wait times at our security checkpoint have a history of being well below the national average," says Lew Bleiweis, A.A.E., Airport Director.

Once you're through security, you can enjoy snacks and drinks, including specialty coffee, at Caribou Coffee, massage chairs, and free WiFi. Other post-security amenities include our new Recharge Station for business travelers.

You may have already noticed the main short-term and long-term parking lots are undergoing improvements as well. While this means there is limited parking available in that particular lot, there is never a shortage of parking at AVL. With several "overflow" areas, we can always accommodate your vehicle if you plan on parking here while you're away.

Parking rates remain at \$7 a day for long-term (anything over 24 hours) and \$12 a day for short-term.

These and other projects at AVL are part of the American Recovery and Reinvestment Act of 2009 (ARRA) and are slated for completion in Summer 2010.

Mix 96.5 Women's Expo 2009

Okay ladies, this one's just for you. Join us, along with Ken and Tammy from [Mix 96.5](#), for the 4th annual Women's Expo October 8 at the Haywood Park Hotel in downtown Asheville from 4pm until 9pm.

We'll be there, along with dozens of other sponsors, to support the women of Western North Carolina and do a little giving back. Make it a girls' night and enjoy a fashion show, live music, health screenings, and wine and hors d'oeuvres.

Stop by the Asheville Regional Airport booth to register for your chance to **win a \$500 travel voucher!** And while you're there, pick up some free AVL gear, ask some questions, and give us your feedback about Asheville Regional Airport.

We look forward to seeing you at the 2009 Women's Expo!

Call to Artists

If you're an artist or know someone who is, you won't want to miss this great opportunity to be involved in Art in the Airport.

Once every four months, a new array of artwork is selected for display in our Art Gallery, as well as in other areas of the terminal. We are currently accepting applications for the next exhibit, and you have until October 2 to submit your artwork.

It's easy (and free!) to apply, and if you're selected, your work could be seen by nearly 200,000 passengers. What's more, if your artwork sells, AVL retains only a 20% commission, making the Art in the Airport gallery one of the most profitable for artists.
